A beautiful little sunset. Sometimes you learn more from your mistakes than you do from your masterpieces. You can get away with a lot. This is gonna be a happy little seascape. Maybe there's a happy little bush that lives right there.

All you need to paint is a few tools, a little instruction, and a vision in your mind. This piece of canvas is your world. Isn't that fantastic that you can create an almighty tree that fast? I'm gonna add just a tiny little amount of Prussian Blue. Everyone wants to enjoy the good parts - but you have to build the framework first. Painting should do one thing. It should put happiness in your heart.
